Disclosure Attestation

Mandatory Disclosures.

Disclaimer: This Health IT Module is 2015 Edition compliant and has been certified by an ONC-ACB in accordance with the applicable certification criteria adopted by the Secretary of Health and Human Services. This certification does not represent an endorsement by the U.S. Department of Health and Human Services.

This Cost and Certification Disclosure is provided to document costs and additional information on the his.medvantage platform. This disclosure is posted publicly at <https://his.medvantage.tech/oncdocumentation/> and on the ONC Certified Health IT Product List (CHPL).

Medvantage agrees to notify Leidos of any and all future changes to our transparency and disclosure language for this certified product version. Furthermore, Medvantage understands and agrees that the ONC Health IT Certification Program Final Rule statement gives Leidos, as an ONC-ACB, the sole responsibility for ensuring compliance and determining appropriate consequences if EHR technology developers fail to divulge accurate transparency and disclosure information.

Medvantage, in addition, understands and agrees to provide Leidos copies of or give access to any and all websites, marketing materials, communication statements, and other assertions made by Medvantage regarding the ONC certification status of this product in a reasonable time to ensure the transparency and disclosures information is being accurately disclosed.

Relied upon Software

There are no Relied upon Software

Costs of the EHR-certified Software

Additional types of costs or fees (whether fixed, recurring, transaction-based, or otherwise) imposed by a health IT developer (or any third-party from whom the developer purchases, licenses, or obtains any technology, products, or services in connection with its certified health IT) to purchase, license, implement, maintain, upgrade, use, or otherwise enable and support the use of capabilities to which health IT is certified; or in connection with any data generated in the course of using any capability to which health IT is certified.

- One-time license fee, applicable per provider
- One-time cost/each integration setup-integration fee for each health information exchange such as Lab Interface, HL7 Interface, Immunization Interface, Imaging Interface, etc., where applicable.
- SAAS Model Cost-Clients pay a fixed monthly fee per provider to use the software and services as stated in the signed contract.
